Dear West Bridgfordians Cricket Club,

**Congratulations on achieving the ECB Clubmark Re - accreditation.**

Congratulations on achieving ECB Clubmark re-accreditation and maintaining your ECB Clubmark accredited status. You are one of a number of cricket clubs that have successfully completed the re-accreditation process demonstrating your ongoing commitment to being a safe, effective and child friendly cricket club.

The principles behind maintaining ECB Clubmark standards are important and fundamental to the continued high quality development of community cricket clubs for all future members at your club and specifically to young cricketers.

The hard work you and your club have undertaken has been recognised by the ECB, your County Cricket Board, Sport England and by partners locally. I am therefore pleased to enclose your ECB Clubmark re-accreditation certificate.

You will already have the ECB Clubmark logo which you can continue to use on all club press and publicity information to promote your accreditation status. I also enclose information about the generic Clubmark website that promotes Clubmark on behalf of the twenty five National Governing Bodies of sport that use Clubmark as their national Club Accreditation Scheme.

The hard work does not stop here. It is now the responsibility of all club members to uphold and continue the best practice you have put in place as part of the ECB Clubmark process, and continue to thrive as a community cricket club.

On behalf of the ECB, I would like to congratulate and thank you once more for your commitment and dedication to community club cricket.

Yours sincerely,
