# INTRODUCTION

It is my pleasure to once again introduce the 2010 Handbook, having been re-elected as league secretary at the AGM earlier this year. Our league continues to thrive and, we expect, it will continue to do so well into the future. The signs are good. However, as always, this can only happen if people make it happen. We are continuing to build up a good number of people who are willing and able to help to make the league run. It is good to see new people coming forward. The more there are of us, the easier it will be for us all, so please think about helping out; don't just wait until the next time that we are asking for greater involvement.

However, what we do need now is some more commitment from some clubs in helping our community to function better, for the benefit of us all. The committee expects to enforce the following conditions in managing entries for 2011:

- *The committee reserves the right to exclude from the league the following season teams who concede, without playing, two or more of their fixtures*
- *The committee reserves the right to exclude from the league the following season teams who fail to provide a single point of access for the organisation of fixtures, or whose contact consistently fails to fulfil that role*
- *For each team entered, clubs must clearly identify sufficient time when they can have the use of a ground to play their home matches by early August.*

Apart from the weather, last year's cricket went very well. The weather was not quite as poor as 2007 and 2008 but it is still a tribute to everyone involved that so much cricket did get played, leading to all our competitions being completed. Please see our Play Cricket web site at <http://nycl.play-cricket.com/home/home.asp> for more information.

The rules remain as they were regarding the disposition of points, when games are unplayed. However, this still remains a major headache, especially in a rain-affected season. Some teams are less effective than others in sorting out postponed games: you know who you are!!

Please note that we are encouraging all clubs to use the play-cricket web site for result submission. It is not yet a condition of league membership but we expect that it will become so before too long. Remember that the rules read "*It is the responsibility of the manager of the winning team to enter and confirm the results at <http://nycl.play-cricket.com/home/home.asp> or to return fully completed scorecards, either by post or e-mail, to the Divisional Secretary within three days of the match being played.*" Please enter your results directly onto the play-cricket web site: contact Paul Garton, if you need advice. If you need scoresheets for pairs matches, please download them from the league website at <http://www.nycl.org.uk>

Have a good season. We must have good weather this year, mustn't we?

Best wishes, on behalf of the league committee,

Rob Kirkwood, March 2010.

# LEAGUE RULES and PLAYING REGULATIONS

## LEAGUE RULES

1. Name. This League shall be called the “Nottingham Youth Cricket League” and shall consist of as many clubs as shall be decided annually by the Management Committee.
2. Object. To promote interest and competition in junior and youth cricket.
3. Meetings. The Annual General Meeting will normally be held in the month of January in each year. Other meetings shall be held as advised. Clubs who fail to attend meetings (as required by notification) shall be dealt with as the Management Committee thinks fit.
4. Management. The League shall be governed by a Management Committee, comprising of the Chairperson, General Secretary, Treasurer, Divisional Secretaries, and Youth Representative Team Managers. The Management Committee shall be vested with full powers of actions in matters affecting the League, and its decision will be final. All Officers will be elected at the General Meeting. Proposals for rule changes must be forwarded to the General Secretary, in writing, by 31<sup>st</sup> December.
5. Subscriptions. The annual subscription to the League and K.O Cups fees will be as determined at the Annual General Meeting. Subscriptions are to be paid on application to the League. Membership of the League shall become effective when subscriptions are paid in full. An application to the League, at any age division, will also be taken as an application to any League Cup competition taking place for that age group. [Please note that the u-13 and u-15 county/national cup competitions are run completely independently]
6. Teams. Each club may enter a single team in each age division, except in those competitions where pairs cricket is played, where a club may enter two teams, providing each team has a completely separate squad.
7. Finance / Custody of Assets. The Treasurer shall keep an account of all income and expenditure and shall submit accounts at the Annual General Meeting. The Banking Account(s) shall be in the name of the League and withdrawals made in the name of the League on the sole signature of the Treasurer, General Secretary or Chairman. Auditors shall be elected annually - they shall not be members of the elected Management Committee.
8. Dissolution. Should the League be dissolved all funds in hand after settlement of all debts shall be donated to the Nottinghamshire Cricket Board Youth Committee. All trophies of the League will be given to Nottinghamshire Cricket Board Youth Committee.
9. Any deficit of the league shall be born equally between member clubs at the date of the deficit.
10. Each club is responsible for its own insurance liability.
11. Within these rules, the term “division” means an entire age group within the overall Youth League structure; the term “league” applies to any league within an age division.

## LEAGUE RULES (cont'd)

12. The Management Committee will arrange the initial fixture list for each season. If a fixture is rearranged and advised to the Divisional Secretary before 25<sup>th</sup> April then the new fixture date will be regarded as the original.

13. Should a fixture rearranged after 25<sup>th</sup> April fail to be played for whatever reason, the team originally cancelling the fixture will forfeit the points, except when both teams confirm that the failure to play is for wholly weather-related reasons, in which case the points shall be shared. The relevant divisional secretary must be informed of all cancellations and rearrangements.

14. If a game is cancelled within 72 hours of its scheduled start, for reasons other than the weather, the match will be automatically forfeit by the team cancelling it, unless it is rearranged with the consent of the opposition.

15. A game in which a start is not possible or which is started but not completed, due to the weather, shall be rearranged, not necessarily played, within 7 days by mutual agreement. The relevant Divisional Secretary should be informed of any games cancelled and the rearranged date. All league fixtures must be played in good time, *normally* before 20<sup>th</sup> August, to allow arrangements to be put in place, if required, for the season's divisional finals. The relevant Divisional Secretary or, if necessary, the full Management Committee will decide all disputes.

16. **Player Qualification.** No player shall play for more than one team in the same age division without the express permission of the Divisional Secretary, irrespective of whether the relevant teams are in different leagues within that age division. A breach of this rule may result in the deduction of points.

17. The England & Wales Cricket Board strongly recommends that all clubs with junior and youth members should appoint a Child Welfare Officer. Each club is responsible for ensuring that team managers, coaches and other volunteer helpers have undergone required CRB Checking. See the ECB publication *Safe Hands – Welfare of Young People in Cricket*, October 2003.

18. **Close fielding.**

u-13 players - NO fielder, except the wicket keeper, shall be allowed to field closer than 11 yards, measured from the middle stump, except behind the wicket on the offside, until the batter has played at the ball. Should any fielder come within that distance the umpire MUST STOP the game immediately, and instruct the fielder to retreat to the required distance.

u-15 players - NO fielder, except the wicket keeper, shall be allowed to field closer than 8 yards, measured from the middle stump, except behind the wicket on the offside, until the batter has played at the ball. Should any fielder come within that distance the umpire MUST STOP the game immediately, and instruct the fielder to retreat to the required distance.

The Management Committee collectively and individually disclaim any responsibility, real or implied, for any act arising out of league activities.
