GENERAL SECRETARY'S WELCOME & INTRODUCTION

It is my pleasure to introduce the 2012 Handbook, having been re-elected as league secretary at the AGM earlier this year. Our league continues to thrive and we expect it will continue to do so well into the future. The signs remain good. However, as always, this can only happen, if people make it happen. We are continuing to build up a good number of people, who are willing and able to help to make the league function. It is always good to see new people coming forward. The more there are of us, the easier it will be for us all, so please think about helping out: don't just wait until the next time that we are asking for greater involvement.

Last season was very successful, with dry weather, and a good and willing spirit, all competitions were completed, and a great deal of excellent cricket was played. Many thanks to you all, and congratulations to everyone who took part. This year, we have again structured our leagues so as to maximise the likelihood of successful completion, by attempting to reduce fixture congestion and overload for the young players for whom we are responsible. This may mean fewer fixtures for some, but hopefully there will be an overall benefit. Remember that you can always arrange additional friendly matches, if you need more games.

What we also need is continued commitment from all clubs in helping our community to function better, for the benefit of us all. Please read the rules

again, to refresh your memory. Each year we have a few sensitive matters with which to contend,

Last year was the first year of our new player eligibility rule, which states: *“No player shall play for more than one club in the competitions managed by the Nottingham Youth Cricket League, irrespective of whether the relevant teams are in different leagues or in different age divisions.”*. Although this rule, passed at the 2011 AGM, was not universally welcomed, it seems to have worked well. Please remember, if you believe that a rule needs to be amended in any way, you need to bring concrete proposals to the AGM

A recurring issue is the belief that there is no LBW rule in pairs cricket. There is. We advise that you use your judgement in its application but our rules clearly state that: *“All games shall be played in accordance with the official Laws of Cricket, including the LBW rule, appropriately interpreted, except to the extent they are varied as follows:”*.

This does highlight the importance of consistent umpiring, especially within a single game. We do recommend that the same umpires should officiate throughout a game, not swapping between innings and that they should agree some general guidelines regarding LBWs and any other potentially contentious issues. It is also important to remember that umpires, team managers and coaches must set the right example to the players. However passionate you may feel, please mind your language and your manners!

Please note that we now expect all clubs to use the play-cricket web site for result submission. It is not yet a condition of league membership but we expect that it will become so before too long. Please contact Paul Garton, if you need advice.

If you need scoresheets for pairs matches, please download them from the league website at www.nycl.org.uk

We wish you all a very good season. Let us hope that the excellent March weather continues until September. That said, snow has been mentioned in recent weather forecasts!

Best wishes, on behalf of the league committee,

Rob Kirkwood, April 2012.

U-11 cup games shall be played according to the rules currently applying to **u-13** league games (except that the pitch shall be 20yds). In the event of a game being tied, the team losing the fewest wickets shall be declared the winner. In the event that the number of wickets lost is equal, the game shall be decided by a bowl out.

Bowl Out Procedure

Five bowlers from each side shall deliver one ball each at an unguarded wicket. If each team has hit the same number of wickets after the first five balls per side, the same five bowlers will bowl again in turn, the outcome being decided by "sudden death".

8. Dissolution. Should the League be dissolved all funds in hand after settlement of all debts shall be donated to the Nottinghamshire Cricket Board Youth Committee. All trophies of the League will be given to Nottinghamshire Cricket Board Youth Committee.
9. Any deficit of the league shall be born equally between member clubs at the date of the deficit.
10. Each club is responsible for its own insurance liability.
11. Within these rules, the term "division" means an entire age group within the overall Youth League structure; the term "league" applies to any league within an age division.
12. It is the responsibility of the manager of the winning team to enter and confirm the results at www.nycl.play-cricket.com, within three days of the match being played. In the event of a tied match, this becomes the responsibility of the home team
13. The Management Committee will arrange the initial fixture list for each season. If a fixture is rearranged and advised to the Divisional Secretary before 25th April then the new fixture date will be regarded as the original.

LEAGUE RULES (cont'd)

14. Should a fixture rearranged after 25th April fail to be played for whatever reason, the team originally cancelling the fixture will forfeit the points, except when both teams confirm that the failure to play is for wholly weather-related reasons, in which case the points shall be shared. The relevant divisional secretary must be informed of all cancellations and rearrangements.

15. If a game is cancelled within 72 hours of its scheduled start, for reasons other than the weather, the match will be automatically forfeit by the team cancelling it, unless it is rearranged with the consent of the opposition.

16. A game in which a start is not possible or which is started but not completed, due to the weather, shall be rearranged, not necessarily played, within 7 days by mutual agreement. The relevant Divisional Secretary should be informed of any games cancelled and the rearranged date. All league fixtures must be played in good time, normally before 20th August, to allow arrangements to be put in place, if required, for the season's divisional finals. The relevant Divisional Secretary or, if necessary, the full Management Committee will decide all disputes.

17. **Player Qualification.** No player shall play for more than one club in the competitions managed by the Nottingham Youth Cricket League, irrespective of whether the relevant teams are in different leagues or in different age divisions. The only permitted exception to this rule is for girls who are members of clubs without a team in the NYCL Girls League. A breach of this rule may result in the deduction of points, or, in the case of cup competitions, disqualification. A permanent transfer is permitted mid-season, notified in writing and signed as agreed by both clubs and the NYCL Committee.

18. The England & Wales Cricket Board strongly recommends that all clubs with junior and youth members should appoint a Child Welfare Officer. Each club is responsible for ensuring that team managers, coaches and other volunteer helpers have undergone required CRB Checking. See the ECB publication Safe Hands – Welfare of Young People in Cricket, October 2010.

19. **Close fielding.**

u-13 players - NO fielder, except the wicket keeper, shall be allowed to field closer than 11 yards, measured from the middle stump, except behind the wicket on the offside, until the batter has played at the ball. Should any fielder come within that distance the umpire **MUST STOP** the game immediately, and instruct the fielder to retreat to the required distance.

u-15 players - NO fielder, except the wicket keeper, shall be allowed to field closer than 8 yards, measured from the middle stump, except behind the wicket on the offside, until the batter has played at the ball. Should any fielder come within that distance the umpire **MUST STOP** the game immediately, and instruct the fielder to retreat to the required distance.

The Management Committee collectively and individually disclaim any responsibility, real or implied, for any act arising out of league activities.

The exact format to be played in a Girls League game may be determined by the managers of the particular teams participating in any game. However, the default rules that shall apply are those of the u-11 pairs league.
