PLAYING REGULATIONS (cont'd)

GENERAL SECRETARY'S WELCOME & INTRODUCTION

It is my pleasure to introduce the 2013 Handbook, having been re-elected as league secretary at the AGM earlier this year. Our league continues to thrive and, we expect, it will continue to do so well into the future. The signs remain good. However, as always, this can only happen, if people make it happen. We continue to have a good number of people, who are willing and able to help to make the league function. It is always good to see new people coming forward. The more there are of us, the easier it will be for us all, so please think about helping out: don't just wait until the next time that we are asking for greater involvement. While on this theme, on behalf of the league and all its members, I would like to take this opportunity to pay tribute to two longstanding committee members, who have recently stood down: Chris Young and Charlie George. We will miss them both.

Last season was, as we all know, the wettest on record. However, it was amazing how much cricket was still played and that we were able to have credible results for all our competitions. With a good and willing spirit, a great deal of excellent cricket was played. Many thanks to you all, and congratulations to everyone who took part. This year, we have, again, structured our leagues, so as to maximise the likelihood of successful completion, by attempting to reduce

Should any fielder come within that distance the umpire **MUST STOP** the game immediately, and instruct the fielder to retreat to the required distance.
8. Under 15 Division:-
Batters will retire upon reaching 50 runs but may return if all other wickets have been lost
Games to be played with a ball weighing 5½ oz.
Pitch length to be 22 yards.
Close fielding - NO fielder be allowed to field closer than 8 yards, measured from the middle stump, except behind the wicket on the offside, until the batter has played at the ball. Should any fielder come within that distance the umpire **MUST STOP** the game immediately, and instruct the fielder to retreat to the required distance.
9. All batters must wear a helmet whilst batting. Wicketkeepers must wear a helmet when standing up to the stumps. Parental consent forms will not be accepted. [Full ECB Guidance is available at <http://www.play-cricket.com>]
10. It is the responsibility of the home team to supply a match ball of suitable quality. It is the responsibility of BOTH team managers to confirm the fixture prior to its being played.
11. Five run **disciplinary** penalties, as variously provided for under the Laws of Cricket will not be applied. The normal start time for an evening game is 6pm. The normal start time for a morning game is 10am. These times may be varied by agreement between the two team managers.

UNDER 12, 13 and 15 (8-a-side) DIVISIONS PLAYING REGULATIONS

All games shall be played in accordance with the official Laws of Cricket, except to the extent they are varied as follows:-

1. Each team will be comprised of eight players.
Under 15 Division - Players are to be under 15 years of age on the 31st August prior to the current season.
Under 13 Division - Players are to be under 13 years of age on the 31st August prior to the current season.
Under 12 Division - Players are to be under 12 years of age on the 31st August prior to the current season.
GIRLS - May play up to two years older than her counterparts at any age group.
2. Overs to be bowled :-
20 x 6 ball overs maximum, games may be reduced to NOT LESS than 16 x 6 ball overs.
All of the fielding team, with the exception of the wicket keeper, must bowl at least one over, and a maximum of five.
3. At the fall of the seventh wicket, the last batter may continue to bat with the aid of a runner until the innings is concluded either by the fall of the eighth wicket or the conclusion of overs bowled.
4. Points to be awarded :-
Match WON 4 Points
Match TIED 2 Points
Match LOST 0 Points
5. It is the responsibility of the manager of the winning team to enter and confirm the results at www.nycl.play-cricket.com, or to return fully completed scorecards, either by post or e-mail, to the Divisional Secretary within three days of the match being played. In the event of a tied match, this becomes the responsibility of the home team.
6. If two or more teams finish equal on points, the winner of the match between any such teams will be placed the higher, otherwise the team with the highest net runs per wicket average (runs per wicket average for minus runs per wicket average against) will be placed the higher.

fixture congestion and overload for the young players, for whom we are responsible. Remember that you can always arrange additional friendly matches, if you need more games.

What we also need is continued commitment from all clubs in helping our community to function better, for the benefit of us all. Please read the rules again, to refresh your memory. Each year we have a few sensitive matters with which to contend. Please remember, if you believe that a rule needs to be amended in any way, you need to bring concrete proposals to the AGM

A recurring issue is the belief that there is no LBW rule in pairs cricket. There is. We advise that you use your judgement in its application but our rules clearly state that: *"All games shall be played in accordance with the official Laws of Cricket, including the LBW rule, appropriately interpreted, except to the extent they are varied as follows:"*.

This does highlight the importance of consistent umpiring, especially within a single game. We do recommend that the same umpires should officiate throughout a game, not swapping between innings and that they should agree some general guidelines regarding LBWs and any other potentially contentious issues. It is also important to remember that umpires, team managers and coaches must set the right example to the players. However passionate you may feel, please mind your language and your manners!

Please note that we now expect all clubs to use the play-cricket web site for result submission. It is not yet a condition of league membership but we expect that it will become so before too long. Please contact Paul Garton, if you need advice. Last season, a number of teams failed to record their results, which meant that their young players were not credited with all their successes.

If you need scoresheets for pairs matches, please download them from the league website at <http://nycl.org.uk/>.

We wish you all a very good season. It can't be as wet as last year, can it?

Best wishes, on behalf of the league committee,

Rob Kirkwood, April 2013.

14. Should a fixture rearranged after 25th April fail to be played for whatever reason, the team originally cancelling the fixture will forfeit the points, except when both teams confirm that the failure to play is for wholly weather-related reasons, in which case the points shall be shared. The relevant divisional secretary must be informed of all cancellations and rearrangements.

15. If a game is cancelled within 72 hours of its scheduled start, for reasons other than the weather, the match will be automatically forfeit by the team cancelling it, unless it is rearranged with the consent of the opposition.

16. A game in which a start is not possible or which is started but not completed, due to the weather, shall be rearranged, not necessarily played, within 7 days by mutual agreement. The relevant Divisional Secretary should be informed of any games cancelled and the rearranged date. All league fixtures must be played in good time, normally before 20th August, to allow arrangements to be put in place, if required, for the season's divisional finals. The relevant Divisional Secretary or, if necessary, the full Management Committee will decide all disputes.

17. Player Qualification. No player shall play for more than one club in the competitions managed by the Nottingham Youth Cricket League, irrespective of whether the relevant teams are in different leagues or in different age divisions. The only permitted exception to this rule is for girls who are members of clubs without a team in the NYCL Girls League. A breach of this rule may result in the deduction of points, or, in the case of cup competitions, disqualification. A permanent transfer is permitted mid-season, notified in writing and signed as agreed by both clubs and the NYCL Committee.

18. The England & Wales Cricket Board strongly recommends that all clubs with junior and youth members should appoint a Child Welfare Officer. Each club is responsible for ensuring that team managers, coaches and other volunteer helpers have undergone required CRB Checking. See the ECB publication Safe Hands – Welfare of Young People in Cricket, October 2010.

19. Close fielding.
 u-13 players - NO fielder, except the wicket keeper, shall be allowed to field closer than 11 yards, measured from the middle stump, except behind the wicket on the offside, until the batter has played at the ball. Should any fielder come within that distance the umpire MUST STOP the game immediately, and instruct the fielder to retreat to the required distance.
 u-15 players - NO fielder, except the wicket keeper, shall be allowed to field closer than 8 yards, measured from the middle stump, except behind the wicket on the offside, until the batter has played at the ball. Should any fielder come within that distance the umpire MUST STOP the game immediately, and instruct the fielder to retreat to the required distance.

The Management Committee collectively and individually disclaim any responsibility, real or implied, for any act arising out of league activities.

GIRLS LEAGUE

The exact format to be played in a Girls League game may be determined by the managers of the particular teams participating in any game. However, the default rules that shall apply are those of the u-11 pairs league.

LEAGUE RULES

1. Name. This League shall be called the "Nottingham Youth Cricket League" and shall consist of as many clubs as shall be decided annually by the Management Committee.
2. Object. To promote interest and competition in junior and youth cricket.
3. Meetings. The Annual General Meeting will normally be held in the month of January in each year. Other meetings shall be held as advised. Clubs who fail to attend meetings (as required by notification) shall be dealt with as the Management Committee thinks fit.
4. Management. The League shall be governed by a Management Committee, comprising of the Chairperson, General Secretary, Treasurer, Divisional Secretaries, and Youth Representative Team Managers. The Management Committee shall be vested with full powers of actions in matters affecting the League, and its decision will be final. All Officers will be elected at the General Meeting. Proposals for rule changes must be forwarded to the General Secretary, in writing, by 31st December.
5. Subscriptions. The annual subscription to the League and K.O Cups fees will be as determined at the Annual General Meeting. Subscriptions are to be paid on application to the League. Membership of the League shall become effective when subscriptions are paid in full. An application to the League, at any age division, will also be taken as an application to any League Cup competition taking place for that age group. [Please note that the u-13 and u-15 county/national cup competitions are run completely independently]
6. Teams. Each club may enter a single team in each age division, except in those competitions where pairs cricket is played, where a club may enter two teams, providing each team has a completely separate squad.
7. Finance / Custody of Assets. The Treasurer shall keep an account of all income and expenditure and shall submit accounts at the Annual General Meeting. The Banking Account(s) shall be in the name of the League and withdrawals made in the name of the League on the sole signature of the Treasurer, General Secretary or Chairman. Auditors shall be elected annually - they shall not be members of the elected Management Committee.
8. Dissolution. Should the League be dissolved all funds in hand after settlement of all debts shall be donated to the Nottinghamshire Cricket Board Youth Committee. All trophies of the League will be given to Nottinghamshire Cricket Board Youth Committee.
9. Any deficit of the league shall be born equally between member clubs at the date of the deficit.
10. Each club is responsible for its own insurance liability.
11. Within these rules, the term "division" means an entire age group within the overall Youth League structure; the term "league" applies to any league within an age division.
12. It is the responsibility of the manager of the winning team to enter and confirm the results at www.nycl.play-cricket.com, within three days of the match being played. In the event of a tied match, this becomes the responsibility of the home team
13. The Management Committee will arrange the initial fixture list for each season. If a fixture is rearranged and advised to the Divisional Secretary before 25th April then the new fixture date will be regarded as the original.
